"Everything that is good and hardy"

(PARTIAL LIST ONLY)

SEE OUR TRADE LIST FOR VARIETIES NOT LISTED IN THIS BULLETIN

We would be glad to send you our "Special List of Lining Out Stock" if you do not have it on file.

It will pay **you** to ask us for special quotation on your requirements.

You will be pleasantly surprised to find that our stock is graded even heavier than usual.

WE ARE NOT SURPRISED

That after the slight trade depression of the last 6 or 8 months the tide has turned. Everyone is scrambling to make their assortment complete. Many items are already scarce, and others surely will be.

But we can still put on a little additional speed to take care of your **special order** in our usual prompt manner.

We request an early order, which is as much to your advantage as to ours. We must keep ahead of our work so as to look our best when you come to visit us during the Big Cleveland Convention.

(Would you like our new 64-page retail catalogue for reference?)
